## Santa Fe Society Notes

### SCIENTIST MARRIED.

Very much of a surprise to his associates and friends in Santa Fe came the announcement of the wedding of John Peabody Harrington of the School of American Archaeology, to Miss Carobeth Tucker, daughter of Mr. and Mrs. J. H. Tucker, at San Luis Obispo, Cal. Harrington, being the most talented among the linguists who are making a special study of Indian dialects. His research work among the Pueblo Indians, the results of which were in part published by the School of American Archaeology, attracted wide attention. Mr. and Mrs. Harrington are at home at present at Simi, Ventura county, where Mr. Harrington is pursuing his research work among the California Indians. He will probably be at the summer school at Puyce with his bride during August.

### LAST OF THE COMMENCEMENTS.

Loretto academy and St. Michael's college held their annual commencement the past few days, just as they have been holding them annually for more than half a century now. One can estimate only in the vaguest way the extent of the influence that has

gone out from these institutions, from the days when they were the first institutions for higher education in the west, until the present, when the parents of New Mexico, Arizona, and even Mexico, Texas and Colorado and states farther east and north send their daughters and sons to be educated under the tutelage of the good Sisters of Loretto and the Christian Brothers. Thoroughness in essentials is one of the characteristics of the education inculcated at these institutions and employers often remark that as a general rule, the graduates of these institutions are noted for their fine penmanship, their good spelling and their close attention to detail. Six young ladies graduated from Loretto academy this week: Miss Mary Helen Gurnie, Miss Lucy Catherine Knight, Miss Della Marie Lucero, Miss Minnie Juanita Creamer, Miss Dolores Bernice Berger, Miss Gladys Pauline Sproull. In addition, eighth grade certificates were given to Misses Margaret Delgado, Jeanette Genuets, Teresa McKenzie, Ruth McVeigh, Mary Wagner, Paula Aragon, Bernadita Gonzales and Rosanna Lujan. Miss Gladys Sproull delivered the valedictory and Attorney J. Claudius Niese the commencement address. Vicar General Antonio Fourchegu presented the diplomas.

The graduates of St. Michael's college were: Jacobo M. Casaus, Santiago R. Daley, Carlos M. Casaus, Manuel F. Abreu, George F. Padilla, Pleasant H. Hill, Manuel M. Gonzales, Elv D. Trullillo. Rev. Walter E. Kelly made the commencement address.

### BUSY SOCIAL SEASON.

Each week is to see some social event by the Woman's club and an event or two by the Woman's board of trade. Both are combining business with pleasure, using these means of raising funds for civic purposes. The Woman's club through its home cooking sale and tea and at the home of Attorney General and Mrs. Frank W. Clancy on East Palace avenue, last Saturday, realized nearly a hundred dollars, while the Woman's board of trade with its chain parties has already over a hundred dollars in view. Last evening, at the home of

Mrs. Francis C. Wilson and Miss Flora Conrad, adjoining each other on Buena Vista heights, a card party and a dance were given under the auspices of the Woman's club and were attended by more than a hundred guests.

### HOLD FAST YOUR DREAMS.

Hold fast your dreams! Pain waits for you, And care and fear are near— They are very near! There is death, too— Death comes to every dream and death Will come to you.

Within your heart Keep one still, secret spot Where dreams may go, And, sheltered so, May thrive and grow— Where doubt and fear are not. Oh, keep a place apart Within your heart For dreams to go!

Think still of lovely things that are not true! Let will and magic work at will in you. Be sometimes blind to sorrow—make believe! Forget the calm that lies In disillusioned eyes. Though we all know that we must die, Yet, you and I, May walk like gods and be Even now at home in immortality.

We know so many ugly things— Decets and wrongs and quarrellings, We know, alas! We know How swiftly go The color in the West, The bloom upon the flower, The youth upon the breast; And youth's blind hour, Oh, keep within your heart A place apart Where little dreams may go. May thrive and grow. Hold fast your dreams!

### GAVE MUSICAL RECITAL.

Miss Charibel Fischer, daughter of Assistant State Auditor and Mrs. A. J. Fischer, gave a notable recital at Colorado College, Colorado Springs, from which she graduates. The following was the program: Concerto (Allegro Moderato) ..... Schumann Valse d'Orle, Valse d'Amore ..... Puccini C Sharp Minor, Scherzo ..... Chopin Romance, two waltzes, Wiegen Liedchen, Elf ..... Schumann Eros ..... Grieg "The Bird of the Wilderness" ..... Horman

Leibes Traum ..... Liszt Caprice Espagnol ..... Moszkowski Miss Janet Warnock assisted. Miss Fletcher also took part in two other recitals, in one as pianist and in the other as vocal soloist.

### THE WAY OF THE WIND.

The wind blows east, the wind blows west, And never its pathway shows; And whence it comes, and whither it goes— Who knows? Ah me, and this is the way with love, And this is the way with joy; To come and go like the little dreams Of a boy!

The wind blows west, the wind blows east, In shadow and sun and strife; And thus go the souls of men on the winds Of life!

### DANCING AND TEA.

At the O'Bryan bungalow in the Tesoqui valley, twenty couples who motored from Santa Fe, took part in a dance on Tuesday evening. Practically the same party were also the guests of the Misses Berger on Thursday evening.

Mrs. Laughlin was hostess Thursday afternoon at a most charming tea in honor of her daughter, Mrs. Marshall of Globe, Ariz., who left on Saturday, with her sister-in-law, Miss Marshall, for Des Moines, Ia., to visit her parents-in-law. She will return here with Miss Marshall to spend part of July and August before going home to Globe.

Mrs. Henry Woodruff was hostess to the Woman's Aid society Friday afternoon. Los Trabajadores at the same time held a candy and home cooking sale. The visit for two days of Dr. and Mrs. Morris Jastrow, Jr., of Philadelphia, to the School of American Archaeology was an event for Dr. Jastrow, stands high among the world's scientists and occupies the chair of Semitic languages at the University of Pennsylvania. His books are monumental in their scope and are accepted as authority among archaeologists. Mrs. Jastrow comes from an old and distinguished Philadelphia family. The Jastrows visited the cliff dwellings and the Indian villages and were so impressed with New Mexico's attractions that they promise to return for a longer stay. Federal Judge and Mrs. William H.

Pope left Friday evening for Chicago, and expect to return in ten days or two weeks. Cashier Robt. W. Lynn, of the Santa Fe bank, left for Hutchinson, Kan., to marry Miss Emma Mitchell. He will bring his bride to Santa Fe in about ten days.

### SILVER WEDDING ANNIVERSARY.

A number of Santa Feans sent flowers and greetings to the silver wedding anniversary celebration of ex-Mayor Palmer Ketter and wife at Gallup on Tuesday evening. The beautiful Ketter home was profusely decorated with roses and other blossoms. A musical program was given and

scores of friends called to offer their felicitations. The Ketters were married at Gallup, the bride being Miss Anna Lee Wells, of pioneer family. In addition to Mr. and Mrs. Ketter, Mrs. Wells, mother of Mrs. Ketter, was in the reception line.

Judge John E. McFie will on Tuesday evening deliver an address on "The Red Cross" and its mission at Gallup.

### THE MASONIC REUNION.

From every part of New Mexico, Masons and their families are gathering at Santa Fe, for the great Scottish Rite reunion on the first three days of the week.

### Bowel Complaints in India.

In a lecture at one of the Des Moines, Iowa, churches a missionary from India told of going into the interior of India, where he was taken sick, that he had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with him and believed that it saved his life. This remedy is used successfully in India both as a preventive and cure for cholera. You may know from this that it can be depended upon for the milder forms of bowel complaint that occur in this country. Obtainable everywhere.
